

SHED/ACCESSORY BUILDING BULLETIN

City of Frankenmuth

240 W. Genesee Street

Frankenmuth, MI 48734-1398

Phone: (989) 652-9901 • Facsimile: (989) 652-3451

General Notes - Prior to building a shed:

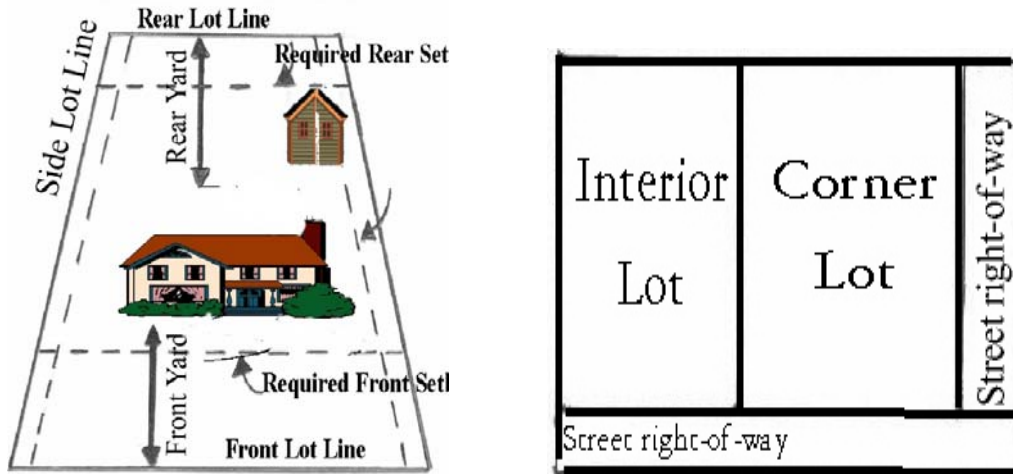

- [] Determine the exact location of your property lines.
- [] Check subdivision [deed] restrictions.
- [] Check for underground utilities by contacting MISS DIG (800-482-7171) at least 72 hours prior to excavating.

Zoning District: Residential. Contact the Zoning Administrator for questions or information on other use districts at (989) 652-3430, x111.

Setbacks (Minimums) See Figures A & B below:

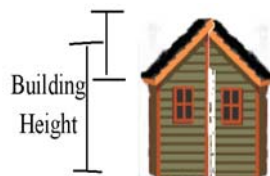

- Front. Not Applicable. No shed shall project into the front yard.
- Side. Interior Lots. 8 ft. (If shed is 10 ft. or more to the rear of the principal building).
- Corner Lots. 25 ft.
- Rear. 5 ft.

Figures A & B

Height (Maximum) See Figure C below: 10 ft. The building height is measured from the average grade to 1/2 the distance between the eaves and roof lines.

Figure C

Square Footage (Maximum): 150 s.f.

Cement Foundation Recommended - See Figure D (attached): Floating slab - 4 inch - with rat wall.

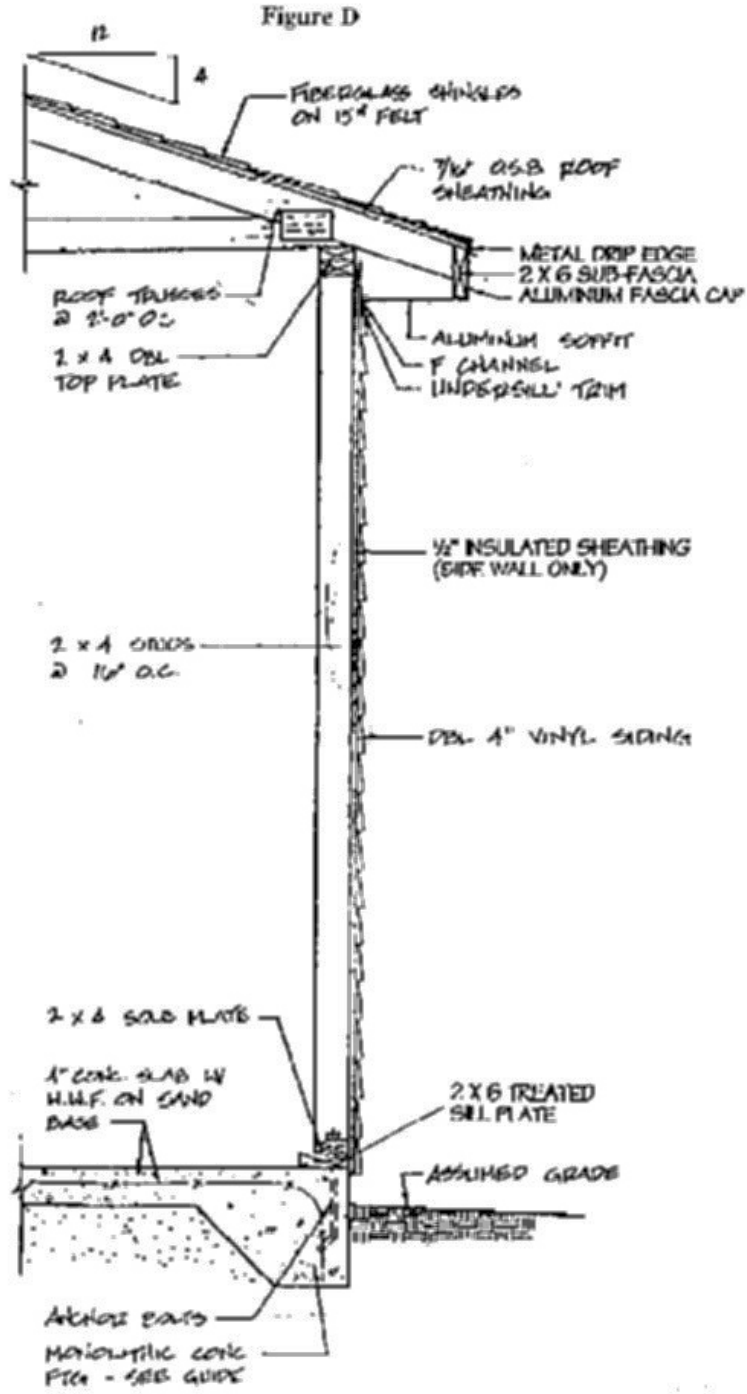

Anchoring: According to the manufacturer's specifications.

Zoning Permit/Inspections: \$35 Fee. For final inspection, call (989) 652-3430, x111.

Design: The architectural design and/or exterior must conform to that of the dwelling.

Property Assessment Value: The value placed on the building is estimated at approximately \$10.00 per s.f.
